# DROP OFF / PICK UP

Drop off and pick up will always be done at the same place. When you come through the main entrance of the park, you will see the FAC (Family Activity Center). This is where you will make your camp payments (as seen in the image below). To the right of the FAC main office is the Waldridge Center. This is where campers will be dropped off and leave their belongings. Parents and campers will be greeted by C3 camp staff and taken to their next location.

“THE HANGOUT” is the time between 7:30 & 9:00. It’s a time when kids can wake up, hang with their friend and play some games. 9:00 is when we really get rocking with our activity, so don’t miss any of the action by sleeping in! If you come in after nine your camper will miss their first track of the day, unless you personally drop them off at their first track.

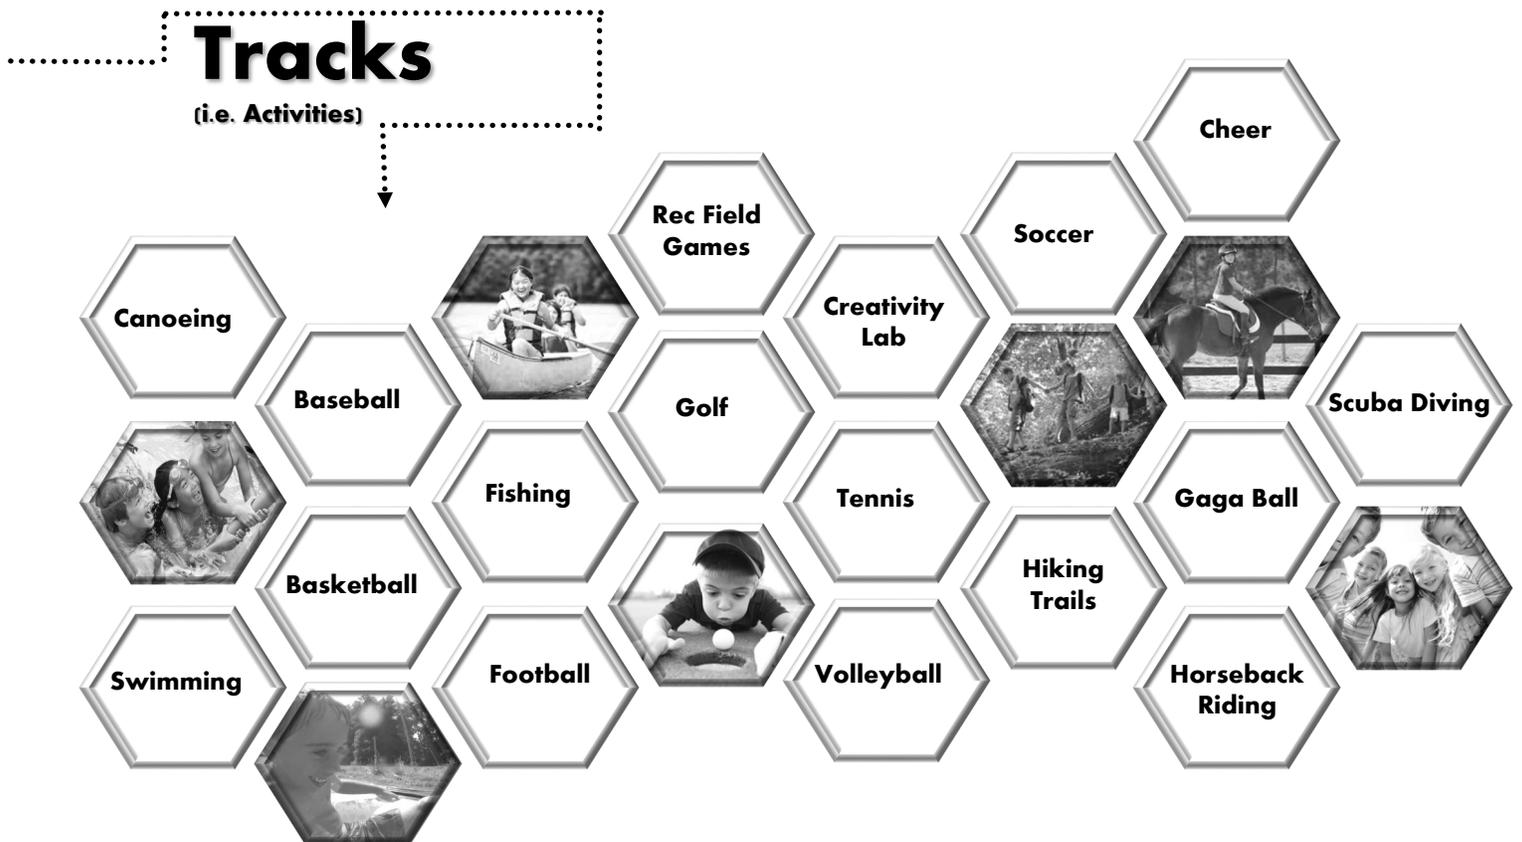

No matter what time you come to pick up your camper, you will pick up at the Waldridge Center. A C3 staff member will be present and will assist you in the sign out process and bring your camper to you. Campers may still be out on park grounds so please be patient in the process. Please have your ID available for pick up.

“THE CHILL” is a time to wind down after a crazy day of fun! Much like “THE HANGOUT” campers will “chill” with their friends have free time and play some games. A great way to end each day!

# TRACKS? WHAT'S THAT?

C3 SUMMER CAMP HAS CHANGED THE WAY WE PLAY, BY LETTING CAMPERS DECIDE THE ACTIVITIES THEY DO! WE CALL THESE TRACKS. WE OFFER SO MANY DIFFERENT TRACKS TO CHOOSE FROM. CAMPERS WILL LEARN NEW DRILLS AND GAMES AT EACH TRACK. EACH CAMPER IS ASKED TO FILL OUT THEIR TOP 6 TRACKS THAT THEY WANT TO DO FOR THE WEEK. THIS FORM WILL BE FOUND IN THE BACK OF THIS PACKET WITH THE CAMPER APPLICATION FORM. EACH WEEK HAS ITS OWN TRACK CARD, SO IN THE EVENT YOUR CAMPER COMES MULTIPLE WEEKS BE SURE TO FILL OUT ALL THE CARDS FOR THE WEEKS YOUR CAMPER WILL ATTEND. WHO KNOWS, YOU MAY WANT TO SWITCH IT UP FROM WEEK TO WEEK! FROM THERE THE CAMPERS WILL BE SCHEDULED INTO THEIR TRACK TIMES BASED ON THE CAMPERS' AGE AND INTEREST. SPECIALTY TRACKS SUCH AS GOLF, HORSEBACK RIDING AND SCUBA DIVING WILL BE FILLED OUT BY CHECKING THE BOX OF THE TRACK YOU WISH TO ATTEND AT THE TOP OF EACH WEEKS TRACK CARD.

**\*Please use the next page to go over with you camper which tracks they would like to sign up for.**

## **Horseback Riding**

# TRACKS CONT.

**There are not many camps where you get to go horseback riding! This track will take place at Shelby Trails, a Shelbyville/Shelby County Park. Campers will be transported by van to Shelby Trails where they will receive instruction from professionals in the Equestrian industry. Because of the location and nature of the track, campers will spend multiple track times at this track. Horseback riding has very limited spots that are first come first serve. It also has restrictions that other tracks don't. All campers must be 8 years of age or older and must fill out a Shelby Trails riding waiver before your camper can ride. This track will take place every week on Friday. Horseback Riding is an additional fee of \$50. Please do not add this track to your track cards, simply fill out the waiver attached with this packet, place a check in the horseback riding box on the track card and add the \$50 to the weeks of camp you would like to do horseback riding.**

## **Scuba Diving**

**Greet and meet with equipment already set up at the pools edge. Fit Mask and Fins for students and enter into the pool where they will be fitted with scuba kits. They will learn hand signals, proper fit for scuba kit and explanation of how it works above and below water. They will learn to breathe on a scuba regulator before going underwater and proper mask clearing. On the bottom they will learn how to breathe while using hand signals to communicate with a dive buddy and us. Once they are comfortable and demonstrated communication with a buddy (great team building experience) then we will take them on a tour of the pool while showing proper technique for underwater propulsion. Campers must be 10 years of age or older and pay the additional \$50 to participate. Please do not add this track to your track cards, simply fill out the waiver attached with this packet, place a check in the scuba diving box on the track card and add the \$50 to the weeks of camp you would like to do scuba diving. Track ran by New Horizon Diving.**

## **Golf**

**We have the luxury of having a great golf course right on the park, run by our PGA professional Derrick Griffitts. Golf will only be offered on Wednesdays. Campers will participate in a clinic style program with Derrick Griffitts PGA, and even play the course in some instances. If golf is an interest of your camper make sure you fill out the golf skills sheet attached with this packet. Golf is a specialty track and must be taken seriously, please consider this when thinking about signing up your camper. Because of the special training your camper will be receiving, there is a \$20 fee to participate. This will ensure your spot on the course. Please do not add golf to the track cards, simply check the golf box at the top of the track card to add.**

## **Swimming**

**Most of our swimming will be done at the outdoor pool during the summer. Great thing about tracks is if your camper wants to go swimming everyday, they can! Make sure you check out our pool rules and go over them with your camper.**

## **Canoeing**

**Canoeing is something that most people don't get to do on a regular basis but that's not true for C3 summer camp! Lake Shelby gives us the opportunity to canoe all day long! Campers are required to wear lifejackets that are supplied by Shelby County Parks and to stay in the boat at all times while out on the water.**

## **Indoor Gym Games**

**This track will consist of all our favorite gym games. Basketball, volleyball, floor hockey, dodgeball along with many different games that are constant fun! The opportunities are endless in this track.**

## **Rec Field Games**

**The rec field is the heart of our camp. At this track campers will get to play soccer and football as well as kickball, whiffle ball and all kinds of active games that will keep your camper moving all day long! This track will not disappoint!**

### **Gaga Ball**

**We love Gaga ball here at C3. It is kind of like dodgeball below the knees. Campers gather in a giant sand pit, where it's every kid for themselves! You can not pick up the ball, you can only punch or smack the ball at an opponent. If your camper puts Gaga ball in their top 6 they won't be disappointed.**

### **Cheer**

**This track will be packed with energy! Campers will learn different exciting dances along with simple gymnastics and cheer skills.**

### **Creativity Lab**

**This where campers can let out all of that creativity! The creativity lab will not focus on just one strand of creativity, but will hit many different areas. For example, one day your camper may do a cool craft and the next day do a painting. We are also going to get creative in the kitchen during the creativity lab, by make some easy dishes that are yummy and fun to make!**

### **Fishing and Hiking**

**Access to Lake Shelby gives us access to one of the best outdoor activities, fishing! Kentucky Fish and Wildlife has supplied all the equipment we need for the whole summer, so no need to bring your own pole. We've got you covered. One of our awesome sponsors Cabela's will be providing the first 50 kids that sign up for C3 Summer Camp with a brand new Cabela's fishing pole that is theirs to keep! Clear Creek Park is home to several hiking trails that take you on all kinds of adventure. Campers may also go to Red Orchard Park by van to experience the trails at another beautiful Shelbyville/Shelby County Park. Campers will also be doing different activities in the creek, so please send clothes that can get dirty and muddy as well as close toed shoes that can be in the creek.**

### **Tennis**

**Tennis is one of those things that not everyone gets an opportunity to play or has access to. We want to provide the opportunity for your camper to learn the sport and try a new thing or for those that already play, an opportunity to advance their skills. All equipment is provided.**

### **Playground**

**Little Heroes Playground is the best playground in the Shelby County area! Campers will get to run, jump, climb, slide and swing. Playground time will be offered during the lunch times and "the chill". (not a track option)**

# SAFETY FIRST

The safety of your camper is our number one priority. The way the camp is set up will leave little opportunity for an incident to occur. ID will need to be provided when picking up your camper and in no circumstance can a camper leave with someone that is not on their pick up list. If you need to add a person to the pick up list or have an emergency, please notify an Assistant Director or Program Director.

The tracks are to allow the campers to pick what they want to do for the week but it is also a more safe way to do activities. Large groups of campers are hard to handle, that's why our tracks stay between 10—15 campers at a time. C3 staff will constantly take counts of the campers in their tracks and have a list of names of who should be in their track. Every C3 staff member is First Aid, CPR and AED certified.

Pool areas are big areas of concern when it comes to safety. All lifeguards are trained in water safety and are First Aid, CPR and AED certified. Pools and concession areas are routinely inspected by the health department to insure things are up to code. We encourage you to put sunscreen on your camper. C3 staff will be equipped with spray sunscreen that can be applied to your camper. Also feel free to send your own if your camper uses a certain brand or type.

In the event that a camper goes missing, there are very strict steps and procedures that all park staff must follow. All Assistant Camp Directors, Program Director and Park & Rec Director will be notified and shut down areas of the park where the incident occurred. These steps range from individual area shut downs to a Park wide shut down. Please instruct your camper to stay with the group at all times. Never hide from a staff member or horseplay during times of transition and counts.

If you would like a menu to review, they will be made available during the summer. Lunch will be served in the Waldridge Center. Campers will eat in shifts with like aged kids and supervised by camp staff.**

**A small snack will also be made available by C3 Camps. Campers will also be able to purchase items at the Park concession stand. Campers will only have the opportunity for concession during the snack time. Money sent with campers needs to be clearly marked, in a bag or envelope that will be kept with the camper's belongings in the Waldridge Center during the day. Please encourage your camper not to share his or her concession money with other campers.**

## **HYDRATION**

**Summer is HOT! That's why hydration is very important to us. Campers will be constantly reminded to drink plenty of water all day. Water coolers are made available at every track we offer.**

**Each Camper will also be given a free water bottle, supplied by Shelbyville/Shelby County Parks & Rec, to insure your camper is drinking enough water. Campers may use their own bottles during the week. Please mark your campers bottle with their name and stress to them to keep track of their bottle. We will ask that campers leave their bottles with the camp staff each day.**

# Weather Alert

C3 Summer Camp activities take place outside. In the event of inclement weather **all campers will be moved into the Family Activity Center** until weather has cleared. In certain weather situations C3 staff will move campers to safety areas inside the building.

Other weather conditions that would effect camp activity is heat index and wind. The summer months are very hot and can be dangerous to children if not removed from activity or removed from the elements. We will always be watching the heat index throughout the day and making sure your campers are staying well hydrated. In the event that the heat index goes **over 100 degrees**, campers will be moved indoors for the remainder of the day. We also ask that you provide your camper with labeled sun block that can be left at the camp. Please apply sun block to your camper before they arrive at camp each day and the C3 staff will re apply at lunch.

Wind will be the biggest factor when deciding if it is safe to do the Canoeing track. In the event that the wind is blowing **over 14 mph**, the canoeing track will not take place and campers will be assigned to a different track.

# CODE OF CONDUCT / DISCIPLINE

**We ask that all campers conduct themselves in an appropriate manner while at camp. We want campers to have as much fun as they possibly can, that's why following the rules is important. We understand kids get excited during the summer and sometimes just get too wild and need a time out. Minor discipline infractions will be dealt with between camp staff and the camper. C3 staff will never put their hands on a camper, unless to restrain them from causing physical harm to themselves or others.**

**We will not tolerate...**

- **Bullying**
- **Behavior sexual in nature**
- **Foul or inappropriate language**
- **Verbal or Physical abuse to other campers or staff**
- **Continuous Disrespect to C3 Staff or other campers**

**If your camper is found doing any of the above mentioned they are at risk of being suspended for a day, a week or even the entire C3 summer camp. Parents will be notified and will discuss behavior with Assistant Camp Directors or Program Director. If behavior cannot be rectified, further disciplinary action will be taken. In the event your camper is removed from Clear Creek Camp, no refund will be given. Removal from camp will ultimately be made by the Program Director.**

**B. C. INHERENT RISKS/ ASSUMPTION OF RISKS: I Acknowledge That:** Horseback riding is classified as RUGGED ADVENTURE RECREATIONAL SPORT ACTIVITY and that risks, conditions and dangers are inherent in (meaning and integral part of) horse/ equine/ animal activities, regardless of all feasible safety measures which can be taken, and I agree to assume them. The inherent risks include, but are not limited to any of the following: The propensity of an animal to behave in ways that may result in injury, harm, death or loss to persons on or around the animal; The unpredictability of an equine's reaction to sounds, sudden movement, unfamiliar objects, persons, or other animals; Hazards, including, but not limited to, surface or subsurface conditions; A collision, encounter and/ or confrontation with another equine, another animal, a person, or object; The potential of an equine activity participant to act in a negligent manner that may contribute to injury, harm, death, or loss to the participant or to other persons, including but not limited to, failing to maintain control over an equine and/ or failing to act within the ability of the participant. Horses are 5 to 15 times larger, 20 to 40 times more powerful, and 3 to 4 times faster than a human. If a rider falls from horse to ground it will generally be a distance of from 3 ½ to 5 ½ feet, and the impact may result in harm to the rider. Horseback riding is an activity in which one much smaller, weaker, predator (the human) tries to impose its will on, and become one unit of movement with another much larger, stronger prey animal that has a mind of its own (the horse) and each has a limited understanding of the other. If a horse is frightened or provoked it may divert from its training and act according to its natural survival instincts which may include, but are not limited to: Stopping short, Spinning around, changing directions and/ or speed at will, Shifting its weight, Bucking, Rearing, Kicking, Biting, and/ or Running from danger. I also acknowledge that these are just some of the risks and I agree to assume others not mentioned above. I am not relying on THIS STABLE to list all possible risks for me.

**C. WILDERNESS EXPERIENCE PARTICIPATION, CONDITIONS OF NATURE, UNFAMILIAR AND SUDDEN SIGHTS AND MOVEMENTS WARNING, AND INSPECTION OF PREMISES I/ WE Acknowledge That: The participant may be taking part in a "WILDERNESS EXPERIENCE" that may be hazardous to people. I/ WE ACKNOWLEDGE THAT** The meaning of "WILDERNESS EXPERIENCE" is defined as the pursuit of activity in a natural and/ or wild and/ or rugged and/ or uncultivated area or region, as of forest and/ or hills and/ or mountains and/ or plains and/ or wetlands, which would likely be uninhabited by people and inhabited by wild animals of many types and species to include, but not limited to mammals, reptiles, insects, which are not tame, may be savage and unpredictable in nature and also wandering at their will. I/ WE ACKNOWLEDGE THAT: THIS STABLE is NOT responsible for total or partial acts, occurrences, or elements of nature and/ or sudden and/ or and/ or unfamiliar sights, sounds and/ or sudden movements that can scare a horse, cause it to fall, or react in some other unsafe way. SOME EXAMPLES ARE: Thunder, lightning, rain, wind, wild and domestic animals, insects, reptiles, which may walk, run or fly near, or bite or sting a horse or person; and irregular footing on out-of-door groomed or wild land which is subject to constant change in condition according to weather, temperature, and natural and man-made changes in landscape. I also acknowledge that these are just some of the risks and I agree to assume others not mentioned above. I am not relying on THIS STABLE to list all possible conditions for me. The participant and parent or legal guardian have inspected THIS STABLE'S facilities and are satisfied that all premise conditions are reasonably safe for this participant's intended purpose, usage and presence upon THIS STABLE'S premises.

**D. CARRY-ON OBJECTS WARNING AND SHARP, LOUD NOISES WARNING: I/ WE ACKNOWLEDGE THAT** When approaching, mounting and riding horses, I must not carry loose items that may fall or blow away or flap in the wind or bounce or make sharp or loud noises, the action of which may scare horses causing them to react in unsafe ways. SOME EXAMPLES ARE: Cameras, cell phones, hats not securely fastened under chin, toys, purses. When near or riding a horse, participants must not make sharp or loud noises, such as whistling or screaming or yelling, the sound of which may scare horses causing them to react in unsafe ways.

**E. SADDLE GIRTH LOOSENING WARNING I/ WE ACKNOWLEDGE THAT:** Saddle girths (fastener straps around the horses belly) may loosen during riding. Riders must alert the nearest attendant of any girth looseness so action can be taken to avoid saddle slippage and the potential for the rider to fall from the horse.
