DROP OFF / PICK UP

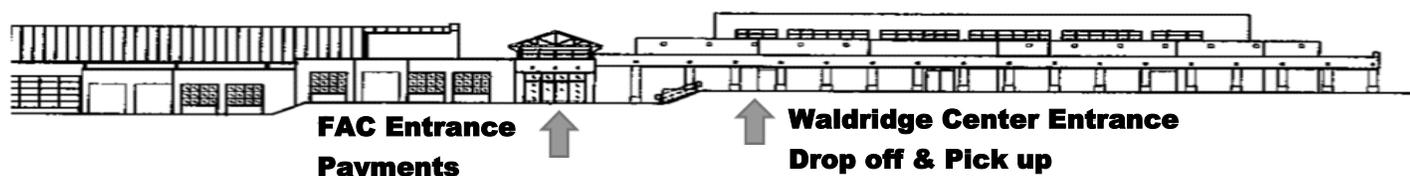

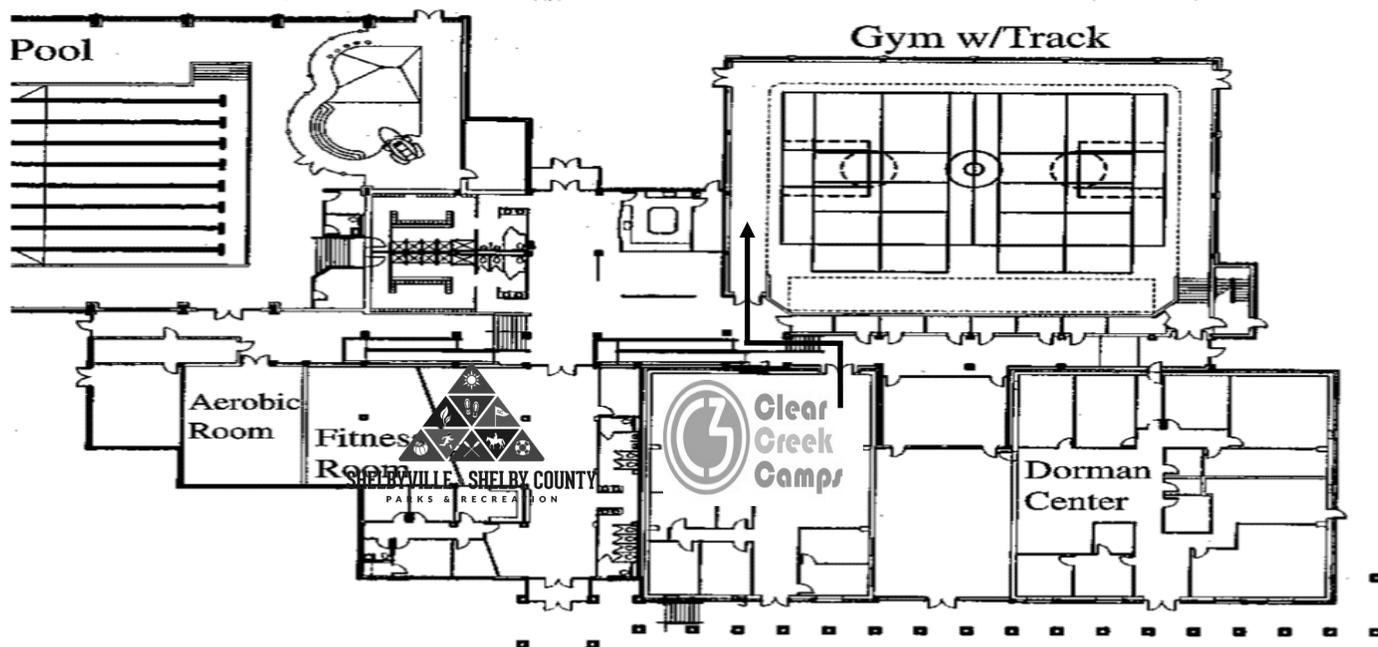

Drop off and pick up will always be done at the same place. When you come through the main entrance of the park, you will see the FAC (Family Activity Center). This is where you will make your camp payments (as seen in the image below). To the right of the FAC main office is the Waldridge Center. This is where campers will be dropped off and leave their belongings. Parents and campers will be greeted by C3 camp staff and taken to their next location.

“THE HANGOUT” is the time between 7:30 & 9:00. It’s a time when kids can wake up, hang with their friends and play some games. 9:00 is when we really get rocking with our activity, so don’t miss any of the action by sleeping in! If you come in after 9:00 your camper will miss their first track of the day, unless you personally drop them off at their first track. Please see camp staff if coming in late.

No matter what time you come to pick up your camper, you will pick up at the Waldridge Center. A C3 staff member will be present and will assist you in the sign out process. If you are picking up your camper before 4:45 please make special arrangements with camp staff to best assist you in the pick up process. Campers may still be out on park grounds so please be patient in the process. Please have your ID available for pick up.

“THE CHILL” is a time to wind down after a crazy day of fun! Much like “THE HANGOUT” campers will “chill” with their friends, have free time, and play some games. A great way to end each day!

Tracks? What's That?

C3 Summer Camp puts the fun in your campers hands by letting them decide the activities they do! We call these **TRACKS**. We offer many different tracks to choose from. Campers will learn new drills and games at each track. Each camper is asked to fill out their top 6 tracks that they want to do for the week. This form will be found in the back of this packet with the camper application form. Each week has its own track card, so in the event your camper comes multiple weeks be sure to fill out all the cards for the weeks your camper will attend. Who knows, you may want to switch it up from week to week! From there the campers will be scheduled into their track times based on the campers' age and interest. Specialty tracks such as golf and horseback riding will be filled out by checking the box of the track you wish to attend at the top of each weeks track card. If your camper wishes to be changed into a different track, the request must be made no later than Tuesday of that week.

→ Horseback Riding is back!

C3 is happy to announce that horseback riding is back! We are partnering with Alex Gravett, owner and trainer of Kismet Farm in Simpsonville. Alex and her crew are very excited to join the C3 family and serving the community through something she is passionate about and loves! **SPOTS ARE LIMITED FOR THIS SPECIALTY TRACK.** Ten spots per week (no horseback riding week 8), ages 6 and up can participate. This will be first come first serve. Campers may do multiple weeks if they are the first 10 to sign up for those weeks. The cost for Horseback riding is an additional \$50 per camper, making the week of camp \$180 for your camper.

This track is an additional track that will run every Monday during our scheduled lunch time and recreation time (estimated 12:00–1:30 including travel. Campers will be fed lunch at camp and then transported to Kismet Farm where they will go over basic horse and barn safety, get an introduction to basic horse care, including brushing, tacking up, basic nutrition/anatomy information, an introductory riding lesson for each child including safe mounting/dismounting, walking, stopping, steering, possible trotting depending on each individual child's skill level.

Every participant will be required to do the following: Follow ALL safety and barn rules while at Kismet Farm, safety is our NUMBER 1 most important goal at all times. Kismet Farm Liability Waiver MUST be signed by legal parent/guardian, including the photography release form (attached with this packet). All children who sit on/ride a horse will be REQUIRED to wear an ASTM/SEI certified riding helmet,

supplied by Kismet Farm. All children MUST wear t-shirts or sport style tank top, long pants (jeans or leggings are fine) and close-toed shoes, ideally a boot with a heel but tennis shoes are acceptable. NO spaghetti strap tank tops or sandals will be allowed in the barn! Alex is SafeSport certified through the US Center for SafeSport and the United States Equestrian Federation and has bachelors degrees in Equestrian Studies.

Please check out Kismet Farm LLC on Facebook and feel free to call them at 651-248-2027 for more info on riding lessons and other programs offered by Kismet Farm.

TRACKS CONT.

Golf

We have the luxury of having a great golf course right on the park, ran by our PGA professional, Derrick Griffitts. Golf will only be offered on Wednesdays. Campers will participate in a clinic style program with Derrick Griffitts PGA, and even play the course in some instances. If golf is an interest of your camper make sure you fill out the golf skills sheet attached with this packet. Golf is a specialty track and must be taken seriously, please consider this when thinking about signing up your camper. Because of the special training your camper will be receiving, there is a \$20 fee to participate. This will ensure your spot on the course. Please do not add golf to the track cards, simply check the golf box at the top of the track card to add.

Swimming

Most of our swimming will be done at the outdoor pool during the summer. The great thing about tracks is if your camper wants to go swimming everyday, they can! Make sure you check out our pool rules and go over them with your camper.

Canoeing

Canoeing is something that most people don't get to do on a regular basis but that's not true for C3 summer camp! Lake Shelby gives us the opportunity to canoe all day long! Campers are required to wear lifejackets that are supplied by Shelby County Parks and to stay in the boat at all times while out on the water.

Indoor Gym Games

This track will consist of all our favorite gym games. Basketball, volleyball, floor hockey, dodgeball along with many different games that are constant fun! The opportunities are endless in this track.

Rec Field Games

The rec field is the heart of our camp. At this track campers will get to play soccer and football as well as kickball, whiffle ball and all kinds of active games that will keep your camper moving all day long! This track will not disappoint!

Fishing and Hiking

Access to Lake Shelby gives us access to one of the best outdoor activities, fishing! Kentucky Fish and Wildlife has supplied all the equipment we need for the whole summer, so no need to bring your own pole, we've got you covered! One of our awesome sponsors, Cabela's will be providing the first 50 kids that sign up for C3 Summer Camp with a brand new Cabela's fishing pole that is theirs to keep! Clear Creek Park is home to several hiking trails that take you on all kinds of adventure. Campers may also go to Red Orchard Park by van to experience the trails at another beautiful Shelbyville/Shelby County Park. Campers will also be doing different activities in the creek, so please send clothes that can get dirty and muddy as well as close toed shoes that can be in the creek.

Gaga Ball

We love Gaga ball here at C3. It is kind of like dodgeball below the knees. Campers gather in a giant sand pit, where it's every kid for themselves! You can not pick up the ball, you can only punch or smack the ball at an opponent. If your camper puts Gaga ball in their top 6 they won't be disappointed.

Creativity Lab

This is where campers can let out all of that creativity! The creativity lab will not focus on just one strand of creativity, but will hit many different areas. For example, one day your camper may do a cool craft and the next day do a painting. We are also going to get creative in the kitchen during the creativity lab, by making some easy dishes that are yummy and fun to make!

Tennis

Tennis is one of those things that not everyone gets an opportunity to play or has access to. We want to provide the opportunity for your camper to learn the sport and try a new thing or for those that already play, an opportunity to advance their skills. All equipment is provided.

Playground

We have some great playgrounds in our park, including one of the best playing areas, Little Hero's Playground. Campers will get to experience new areas of our park system as they go to various different playgrounds throughout the week. Be sure to ask your camper what part of the park they played in and maybe your family will find a new favorite spot at Shelby County Parks.

EVENT TRACK FRIDAYS

Event tracks take place on a scheduled Friday. Generally these events take place during the scheduled rec time. Special information will be given the week of these events as far as reminders, locations and must knows. More special event track could be added throughout the summer so make sure you stay connected.

COLOR WAR

The Color War is one of the most fun days of camp! Kids get together with their team leaders and create fun team names, chants and banners. Then the whole camp engages in a war of color powder! This event is a must do and we will be kicking the first week of camp off with it!

BUBBLEFEST

Bubblefest is as fun as it sounds. Bubblefest has a long camp tradition and will be on Friday of week 4. Imagine a big foam party with slip n sides, beach balls and music. Campers and staff love this day and it is a memory that your camper can have for a lifetime!

TOUCH A TRUCK

Touch a truck is a great event that showcases all the awesome vehicles we have in and around our community! Kids get the opportunity to get in and explore these vehicles including construction machines and emergency vehicles. This is a great time for campers to interact with our community. Event takes place week 2 during track B (on park property).

MUDFEST

Mudfest is the dirty version of bubblefest! Instead of feeling like you just took a bath, you will feel you need to take about ten baths to get clean! A bath just won't do! That's why we call in the fire department to hose our campers down! Nothing better than flying down a huge water slide and landing in a big ole mud pit! Mudfest takes place the Friday of week 7!

SAFETY FIRST

The safety of your camper is our number one priority. The way the camp is set up will leave little opportunity for an incident to occur. ID will need to be provided when picking up your camper and in no circumstance can a camper leave with someone that is not on their pick up list. If you need to add a person to the pick up list or have an emergency, please notify an Assistant Director or Program Director.

The tracks are to allow the campers to pick what they want to do for the week but it is also a more safe way to do activities. Large groups of campers are hard to handle, that's why our tracks stay between 10—15 campers at a time. C3 staff will constantly take counts of the campers in their track and have a list of names of who should be in their track. Every C3 staff member is First Aid, CPR and AED certified.

Pool areas are big areas of concern when it comes to safety. All lifeguards are trained in water safety and are First Aid, CPR and AED certified. Pools and concession areas are routinely inspected by the health department to insure things are up to code. We encourage you to put sunscreen on your camper. C3 staff will be equipped with spray sunscreen that can be applied to your camper. Also feel free to send your own if your camper uses a certain brand or type.

In the event that a camper goes missing, there are very strict steps and procedures that all park staff must follow. All Assistant Camp Directors, Program Director and Park & Rec Director will be notified and shut down areas of the park where the incident occurred. These steps range from individual area shut downs to a Park wide shut down. Please instruct your camper to stay with the group at all times. Never hide from a staff member or horseplay during times of transition and counts.

RULES ARE COOL AT THE POOL

- 8. Riders must be able to swim or walk to the ladder unaided. They may not be assisted after riding down the slide. Lifeguard in the splashdown pool is for safety purposes only.**

HANGRY? LET'S TALK FOOD!

Lunch is provided for all campers through the Summer Feed Program by the Shelby County School system. The menu will be much the same as what the children eat during the week at school. If you would like a menu to review, they will be made available during the summer. Lunch will be served in the Waldridge Center. Campers will eat in shifts with like aged kids and supervised by camp staff.

A small snack will also be made available by C3 Camps. Campers will also be able to purchase items at the concession stand. Campers will only have the opportunity for concession during the snack time. Money sent with campers needs to be clearly marked, in a bag or envelope that will be kept with the camper's belongings in the Waldridge Center during the day. Please encourage your camper not to share his or her concession money with other campers.

HYDRATION

summer is hot! That's why hydration is very important to us. Campers will be constantly reminded to drink plenty of water all day. We will have hydration stations at the rec area for campers to get water and fill their bottles. Please mark your campers bottle with their name and stress to them to keep track of their bottle.

WEATHER ALERT

C3 Summer Camp activities take place outside. In the event of inclement weather all campers will be moved into the Family Activity Center until weather has cleared. In certain weather situations C3 staff will move campers to safety areas inside the building.

Other weather conditions that would effect camp activity is heat index and wind. The summer months are very hot and can be dangerous to children if not removed from activity or removed from the elements. We will always be watching the heat index throughout the day and making sure your campers are staying well hydrated. In the event that the heat index goes over 100 degrees, campers will be moved indoors for the remainder of the day. We also ask that you provide your camper with labeled sun block that can be left at the camp. Please apply sun block to your camper before they arrive at camp each day and the C3 staff will re apply at lunch.

Wind will be the biggest factor when deciding if it is safe to do the Canoeing track. In the event that the wind is blowing over 14 mph, the canoeing track will not take place and campers will be assigned to a different track.

Code of Conduct / Discipline

We ask that all campers conduct themselves in an appropriate manner while at camp. We want campers to have as much fun as they possibly can, that's why following the rules is important. We understand kids get excited during the summer and sometimes just get too wild and need a time out. Minor discipline infractions will be dealt with between camp staff and the camper. C3 staff will never put their hands on a camper, unless to restrain them from causing physical harm to themselves or others.

We will not tolerate...

- **Bullying**
- **Behavior sexual in nature**
- **Foul or inappropriate language**
- **Verbal or Physical abuse to other campers or staff**
- **Continuous Disrespect to C3 Staff or other campers**

If your camper is found doing any of the above mentioned they are at risk of being suspended for a day, a week or even the entire C3 summer camp. Parents will be notified and will discuss behavior with Assistant Camp Directors or Program Director. If behavior cannot be rectified, further disciplinary action will be taken. In the event your camper is removed from Clear Creek Camp, no refund will be given. Removal from camp will ultimately be made by the Program Director.

EQUINE RELEASE AND WAIVER OF LIABILITY

This **EQUINE RELEASE AND WAIVER OF LIABILITY** is voluntarily and knowingly entered into by _____, hereinafter referred to as **PARTICIPANT**, and KISMET FARM, STEPHEN AND ALEX GRAVETT, its owners, their families, members, guides, employees, agents, volunteers and all other persons and organizations in any way connected with the events, property, boarding, lessons, and other activities described herein, hereinafter collectively referred to as **PROVIDERS**.

PARTICIPANT, for and on behalf of myself, my heirs, personal representatives, successors and assigns and any minor child for which I am the parent/legal guardian, hereby releases and forever discharges PROVIDERS, of and from any and all claims or demands of any kind or nature whatsoever which I may have or hereafter acquire or have accrued to them arising as a result of, or incident to; my presence on or utilization of PROVIDERS or any of its facilities.

Such release of liability includes, but is not limited to liability for any sickness, disease, theft, death or injury to or incurred by me, any horses or any property associated with PROVIDERS or any of its facilities or while in the custody of or under the direction of PROVIDERS at other locations. Any and all claims and demands are hereby waived and released. Furthermore, with this waiver, the PARTICIPANT expressly assumes the risk of injury or death due to negligence by PROVIDER for my own safety or for the safety of my minor child.

PARTICIPANT acknowledges that they am familiar with the hazards associated with horses, horse barns and all related equestrian facilities; that horses and riding and proximity to horses are dangerous activities; and assumes all risk associated with the foregoing.

KRS 247.4027 WARNING: UNDER KENTUCKY LAW, A FARM ANIMAL ACTIVITY SPONSOR, FARM ANIMAL PROFESSIONAL, OR OTHER PERSON DOES NOT HAVE THE DUTY TO ELIMINATE ALL RISKS OF INJURY OF PARTICIPATION IN FARM ANIMAL ACTIVITIES. THERE ARE INHERENT RISKS OF INJURY THAT YOU VOLUNTARILY ACCEPT IF YOU PARTICIPATE IN FARM ANIMAL ACTIVITIES.
