Testimonials

"I have been playing pickleball at the FAC since 2005. I enjoy the social aspect as well as the fitness. I weighed 210lbs when I started and got down to 181lbs. The FAC has had a great impact on my well-being." - Bobby O.

"I have arthritis and knee replacements. Doing exercises in the water has helped me with my mobility. I recommend water aerobics to anyone with arthritis. I am around a lot of nice people and we have a lot of fun together." - Janet S.

"We enjoy the FAC, the pool, workout equipment and gym. We take advantage of the childcare. The staff are great with the kids, never had an issue. Very kind staff and useful service!" - John T.
